Testimonial

“[I]t was delightful to get coached by Vipul. [I] got coached during a challenging time in my life. [I] experienced a lot of space to express and explore during the sessions and yet he navigated the conversation to help me find a solution to the issue. [H]e has a knack to ease in a stressful situation and help see the whole situation from a different lens that it gets easy to deal with. [H]e helped in recognizing my strengths and encouraged me generously. [T]he ease in his voice and compassionate heart reassured me that I was in safe hands. [I] felt heard and understood. [I] highly recommend Vipul to anyone who is looking for an accomplished coach.”
